TOWN WARRANT

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the Town of Andover, in the County of Merrimack, in said State, qualified to vote in Town Affairs:

(L. S.)

You are hereby notified to meet at the Town Hall in said Andover on Tuesday, the eleventh day of March, next, at nine o'clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.

2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same. (Estimated \$2700).

3. To raise and appropriate money for highways and bridges under the following items:

- a. General town road maintenance (Estimate \$4000).
- b. Town Road Aid (\$642.99 to match \$2571.96 from State).
- c. Blacktop and calcium chloride (Estimate \$2400).
- d. Street lighting (Present service \$635).
- e. W. P. A. or other defense or work projects which may become available (Suggested \$500).

4. To raise and appropriate money for the protection of persons and property under the following items:

- a. Police department and tramps (Estimate \$100).
- b. General fire protection (Estimate \$100 if (c) is approved; otherwise \$400).
- c. Payments to precincts for maintaining equipment (Suggested \$500, or \$250 to each precinct).
- d. Special appropriation for small hose for Andover Precinct (Suggested \$100).

5. To raise and appropriate money for care of the cemeteries.

6. To raise and appropriate money for Memorial Day.

7. To raise and appropriate money for the use of the town libraries.

8. To raise and appropriate money for defraying the expenses of the town health department, including vital statistics. (Estimate \$1400).

9. To raise and appropriate money for taking care of the poor, which also includes old age assistance and soldiers' aid (Estimate \$4000).

10. To see if the town will vote to raise and appropriate the sum of \$400 for the control of white pine blister rust.

11. To see if the town will vote to raise and appropriate the sum of \$100 for the Dartmouth-Lake Sunapee Region.

12. To see if the town will vote to raise and appropriate the sum of \$75 to provide toilet facilities at the Community Beach.

13. To see if the town will authorize the selectmen to borrow money in anticipation of taxes, or for any other purpose.

14. To see what sum of money the town will vote to raise and appropriate to reduce the town debt incurred by the purchase of the new tractor and snowplow. (Recommended that the selectmen be authorized to raise and appropriate \$3335.18 or as much of that sum as may be possible without raising the present tax rate).

15. To see if the town will vote to plow private driveways at a nominal fee for each, and if so to set such fee. (Proposed that residents wishing their drives plowed pay \$2.00 per year to selectmen in advance).

16. To see if the town wishes to sponsor an "Improvement Day" again this year.

17. To transact any other business that may legally come before this meeting.*

Given under our hands and seal, this fifteenth day of February, in the year of our Lord nineteen hundred and forty-one.

HENRY W. PILLSBURY,
RALPH G. CHAFFEE,
FRED E. EMERSON,
Selectmen of Andover.

* Note: As the Town Report goes to press at an early date, additional articles may legally be added to the posted warrants up to February 25th, which would not be included in the above.

BUDGET OF THE TOWN OF ANDOVER NEW HAMPSHIRE

Estimates of Revenue and Expenditures for the Ensuing
Year, February 1, 1941, to January 31, 1942, Compared
With Actual Revenue and Expenditures of the Pre-
vious Year, February 1, 1940 to January 31, 1941.

SOURCES OF REVENUE:	Actual Revenue Previous Year, 1940	Estimated Revenue Ensuing Year, 1941	Increase	Decrease

County Tax,	7,402.72
School Appropriation,	16,848.00
	<hr/>
Total Appropriations,	\$44,808.15

To this is added an Overlay (so-called) to offset loss of revenue from tax abatements and other sources; which is so calculated in amount as to fix the tax rate at a simple figure of dollars and cents instead of a complex decimal,

191.97

Total amount needed to carry on town and school activities for the fiscal year ending, January 31, 1941,

\$45,000.12

This necessary operating revenue is provided as follows:

From property taxes,	\$37,905.00
From 538 poll taxes,	1,076.00
From National Bank Stock taxes,	31.00
From other sources (estimated) such as railroad, savings bank, interest and dividend and insurance taxes; motor vehicle permit fees; real estate sales and rentals; and surplus on hand,	5,988.12
	<hr/>
Total revenue, same as above total,	\$45,000.12

East Andover Precinct tax,

\$605.26

Total committed to Tax Collector George S. Huntoon for collection,

\$39,617.26

Selectmen's Summary and Recommendations

The year 1940-1941 just finished, has been a rather uneventful one as far as town activities are concerned. There have been no serious floods, major fires, or other developments to appreciably affect either the valuation of the town or its financial status, and the tax rate has continued at the same level of \$30 per \$1,000. We regret that we cannot in this report show another surplus after closing the books for the year, but the purchase of a new tractor and snowplow on an appropriation of \$1500 left a deficit which can only be carried along into the next year's accounts. This net indebtedness of \$3,335.18 very closely approximates the difference between the \$1500 appropriated for the first partial payment and the \$4,900 purchase price of the outfit.

In the estimates for 1941 appropriations and expenditures some items have been reduced, others increased to meet anticipated needs. We are glad to report that the last note on the cement road at the east end of the town has been paid, and that this account will appear no more in the town warrant.

At present there appears to be no good reason why a continued \$30 tax rate will not be ample to cover all estimated expenditures during the coming year, with enough left over to retire the greater part and perhaps all of the new indebtedness. A recommendation has been made under Article 14 in the warrant which, if approved, will tend to reduce this debt as rapidly as possible. It would seem more desirable to keep the tax rate at its present reasonable level and retire the debt, rather than to have the rate fluctuate up and down because of over-economy in one year and increased appropriations in the next.

Roads. It has been necessary to draw upon unexpended balances in other accounts to meet highway expenses during the year. These over-runs were due largely to high snow removal and sanding costs. Expenses were abnormally high all through the last part of the winter of one year ago, and snow removal and sanding began earlier than usual in December of this winter, throwing more than normal costs into one year's accounts. We hope that the usual appropriation will suffice for the current year.

Due to reductions in New Hampshire quotas, Andover's W. P. A. project on Bachelder Hill road was suspended early last spring when about two-thirds completed. T. R. A. funds were applied to complete the road to the top of the hill. The balance of T. R. A. was expended for needed repairs to roads previously constructed, for installing culvert posts and railings, and for preliminary work on the widening of the much traveled Beech Hill road to Bradley Lake. Under this year's T. R. A. program (if accepted) it is planned to carry on with the latter job and to make necessary repairs to other T. R. A. roads.

Under the appropriation for blacktop and calcium chloride maintenance applications of tar were first given to all of our older blacktop roads where needed, and the Andover plains road was treated twice with calcium chloride. Due to a reduction in the price of taric material enough funds were left to put a blacktop surface on both the Bachelder Hill and East Beech Hill roads. We believe the same \$2400 appropriation should be continued.

No town funds were spent on that part of the Bachelder Hill job which was constructed under the W. P. A. program. While it is impossible now to foresee what developments may take place relative to W. P. A. and de-

fense programs during the coming year, it is our suggestion that \$500, or one-half the amount appropriated last year for W. P. A., be provided this year for any emergency which may develop.

Tractor and Snowplow. After inspection of several makes of tractors and snowplows during the summer, the purchasing committee consisting of the selectmen, J. Dale McLeod and Herbert L. Young, selected and contracted for an R-5 Caterpillar 7-ton tractor, equipped with the latest model, full hydraulic, LaPlant-Choate plow with the P. I. Perkins Co., at West Lebanon, N. H. This outfit, which lists at \$6,250, was purchased for \$4,900 cash and the turn in of the old Mead-Morrison rotary. In order to take advantage of a cash price and save commercial interest rates, money was borrowed from the bank to complete the transaction. We wish to express our appreciation to Mr. McLeod and Mr. Young for their valued assistance on the committee.

For a long time the old building used for housing town tractors on Andover plains has been inadequate, giving the road agents little opportunity for properly servicing their machines. Arrangements were made with Mr. McLeod for housing and servicing the new west-end outfit at Potter Place. The brick boiler-house of the Winter Hill Ice Co. has been leased for five years from Mrs. Hayward and converted into a garage for the east-end's International tractor.

Town Hall. As voted at the last town meeting the inside of the town hall was refinished last summer with plywood, and the interior and windows painted. We feel that the town should continue to raise a little extra money each year until the building is put in better shape throughout. Two outstanding needs are a paint job outside, and a new heating system. The paint job can be handled with the \$2700 recommended in the warrant. A new heating system will require a larger investment.

Mr. Alfred S. Cohen has been engaged as janitor of the hall and dates for use of the hall should be arranged with him.

Health Department. Last spring a 1938 Chevrolet coach was purchased for the District Nurse with the extra \$400 raised by the town. The usual \$1400 appropriation should suffice this year.

We regret the loss of our town health officer, Dr. N. Y. B. MacKenzie. Miss Alice M. Kennedy, District Nurse, has been recommended for a temporary appointment to fill the vacancy.

Fire Protection. As directed at the 1940 meeting the selectmen and precinct commissioners have tried to work out a solution of our town fire protection problem. The report and recommendations of the group follow. For this year, in addition to the payments proposed in the report, we recommend a special added appropriation of \$100 to put more 1½ inch hose on the Andover fire truck. A similar appropriation was voted the East Andover company for the same purpose a few years ago.

Report of Selectmen and Commissioners

“At the 1940 town meeting it was voted that the selectmen and the commissioners of the two village precincts work out ways and means of improving facilities for fire protection and present a recommendation at the 1941 town meeting for a better method of financing fire fighting costs.

“A study of town records shows that at present the two precincts, with less than 30% of the assessed valuation of the town within their combined boundaries, are now carrying annually over 80% of the cost of fire protection for the town. Other figures submitted by the companies show the division of service given by them as between precinct and outside calls.

"Since October 1, 1939 the Andover company answered 13 calls outside its district and 12 calls within it, mainly chimney fires.

"Since April 1, 1938 the East Andover company answered 17 calls within its precinct and 13 calls outside. Of these 30 calls, 18 were for chimney fires, 6 for building fires, and 6 for outdoor fires. Of the 6 building fires, which demand the hardest use of pumps and hose, 5 were in other parts of the town and only one in the precinct.

"From these figures it is evident that the precinct fire companies are being called upon by the town to give at least as much, and probably more, service outside their limits than they are within their own districts.

"Bearing these facts in mind, it is our recommendation that the town recognize the demand which it is placing upon the precinct fire companies by voting a flat payment of \$250 annually to each district to aid it in maintaining its fire truck and equipment. In return for this \$250 subsidy or retainer no service charge would be made for the use of equipment, although the town would continue to pay members of the fire companies for their time on fires outside their respective precincts, as at present.

"It would be expected of the precincts only that they would apply as much of their appropriation each year as might be necessary to keep on hand at all times sufficient small size hose to meet ordinary demands for outside service. Otherwise the money might be applied on the maintenance of the fire trucks as the local commissioners see fit. The present set-up of the precincts to manage their own affairs and equipment would in no way be changed.

"It is further recommended that in the future major items of equipment needed by either department to give proper outside service be furnished by the town, and that precinct equipment damaged or destroyed while in the service of the town, unless caused by the negligence of its own company, be repaired or replaced by the town.

"It is also recommended that the selectmen and commissioners constitute a town fire council, whose duty it shall be to work out details of cooperation between town and precincts, and to make recommendations to future town meetings as to new equipment needed for adequate fire protection".

EDWARD B. HARRISON,
JOHN WADLEIGH,
WILLIAM J. MILLER,
E. ALBEC.

Town Poor. It is apparent that more money will be required under this appropriation than has been raised in the past. We have been unfortunate during the past year in having an unusual number of cases requiring hospitalization, medical treatment, and funeral services, all of which use up funds quickly.

Last year the town's 25% share of old age assistance payments amounted to \$1,063.19. The statement for the month of December 1940 (the last received to date) shows payments from town funds of \$124.38 to twenty-two old age assistance cases. Still more applications are pending settlement. It is likely that this type of aid alone will require \$1,500 during the current year.

Community Beach. Last summer the town acquired by purchase from the owners of Highland Park at East Andover several hundred feet of "Sandy Beach" (so-called), and the land around the old box shop for use as a parking area. Judging by the patronage it received during the past summer, this beach was much appreciated. We believe that it will be of great benefit to the townspeople in years to come.

The beach itself needs little improvement, other than the provision of two toilets at the rear of the sand bar. An appropriation of \$75 is asked for this purpose. The parking area offers possibilities for future development, and is a project which might well be considered for community effort.

Tax Owned Property. We were successful during the year in disposing of \$848.12 worth of real estate which was deeded to the town by the tax collector. An attempt was made to dispose of the Ward house, so-called, at East Andover, but no satisfactory deal could be closed. We recently received an offer of \$200 for the Ward store building at East Andover, which we will bring up for your consideration at the town meeting.

White Pine Blister Rust. The State Forester strongly urges that the town appropriate \$400 for white pine blister rust control again this year, to which the state adds additional funds. Andover last appropriated money for this purpose in 1926, and the forester feels the investment represented by past control measures should be protected by more of the same kind of work.

The district inspector, Mr. George F. Richardson, Jr., writes that "the disease is very general throughout the pine areas of your town". He has been invited to attend the town meeting and present his case.

Looking Ahead. Last year under this title were listed five projects which seemed worth thinking and planning about for the future. It is gratifying that two of these have already become accomplished facts; namely, proper garage facilities for town tractors and a community bathing beach. A third, the solution of our fire protection problem seems well on the way towards settlement at this year's town meeting.

We repeat the other two, lest they be forgotten, and add a few more for consideration:

- (1) A supplement to the Andover Town History.
- (2) Development of the "Island" in Highland Lake.
- (3) Improvements to the Andover Town Hall.
- (4) Better quarters for our town libraries.
- (5) A better road to Kearsarge Mountain on the Andover side.

COMPARATIVE STATEMENT OF APPROPRIATIONS AND EXPENDITURES

Fiscal Year Ending January 31, 1941

	Net Expenditures†	1940 Appropriations	Unexpended Balances	Overdrafts
Town Government,	\$2,837.36	\$2,700.00		\$137.36
Police Department,	46.00	300.00	\$254.00	
Fire Department,	79.02	400.00	320.98

Highland Lake beach,	400.00	400.00		
Highway note,	856.60	846.15		10.45
County Tax,	7,402.72	7,402.72		
Totals,	\$32,831.45	\$28,292.48	\$1,647.51	\$6,186.48
Net Overdraft,		4,538.97	4,538.97	
		\$32,831.45	\$6,186.48	

† The figures listed under Net Expenditures under each appropriation represent the total amount spent under that appropriation, less any refunds properly charged back to those accounts.

* When the new Caterpillar tractor and snowplow was purchased last fall it seemed advisable in the best interests of the town to pay for the outfit outright with money borrowed from the bank at a low rate of interest, rather than by a note payable to the P. I. Perkins Co., at a higher rate.

The overrun on town road maintenance is due primarily to added costs of snow removal. The greater part of the snow removal cost of the 1939-40 winter occurred after February 1 in the present fiscal year. This factor, coupled with the early beginning of winter last December, throws an abnormal snow removal burden into the current year's accounts.

The overrun on town poor relief is due largely to the steadily mounting cost of old age assistance, and to the hospitalization of emergency and maternity cases where hospitals demand a town guarantee of payment before admittance of the patients.

Liabilities:

Due First National Bank, Tax Loan,	\$15,000.00
------------------------------------	-------------

VICTOR E. PHELPS, Treasurer.

REPORT OF CHARLES E. CURRIER

FOREST FIRE WARDEN

As Forest Fire Warden of the Town of Andover for the year ending January 31, 1941, I submit the following report:

During the past year the town has been very fortunate in having no serious forest fires, despite the severe hazard existing during parts of the season. As Fire Warden I appreciate the care exercised by townspeople and summer visitors alike in the matter of outdoor fires.

There were two very minor fires during the summer, both set by lightning, one near the Bulkhead and the other near Tucker Mountain. Both were promptly spotted and extinguished, with no more than a quarter acre of land burned over on both.

The town is reasonably well equipped now with fire fighting tools, which are mainly in the care of the two precinct fire companies with a few located at the home of Deputy Warden Henry Pillsbury at West Andover.

The following is a list of such tools owned by the town:

28 shovels	12 knapsack pumps
13 axes	12 fire rakes
36 water pails	12 hazel hoes
10 wire brooms	8 Pulaski tools
24 oil lanterns	4 cross-cut saws
4 drinking water canteens	4 wedges

The portable pump and 1200 feet of 1-½ inch hose owned by the East Andover precinct is also available for emergency use within the town.

During the year 99 permits for building fires were issued. It should be borne in mind by all that it is illegal to do any burning in or near woodlands or where the fire may be communicated to woodlands without first obtaining a permit to do so. Not only are people starting fires unlawfully responsible for all damages caused and expenses incurred in putting out such fires, but they are also liable to court action.

A summary of forest fire fighting costs appears in the Selectmen's report.

May I ask for your continued cooperation during the ensuing year?

CHARLES E. CURRIER,

Forest Fire Warden.

		<hr/>
		\$126.38
Deposited in bank,		123.00
		<hr/>
Balance on hand, February, 1941,		\$3.38
Cash in bank, February, 1941,		\$186.55

Nursing calls,	1,141
Follow-up or friendly calls,	428
Business calls,	170
School calls,	116
Night calls,	12
Obstetrical cases,	3
	<hr/>
	1,870

Forty-one patients were taken to Franklin dentists. Work on school children was done at clinic prices. Nursing Association paid twenty-two dollars and fifty cents towards this work.

Ten dollars' worth of cod liver oil was donated by the Andover Red Cross for undernourished, or needy babies.

The Andover Young Ladies' Bowling Club again generously contributed at Christmas time fruit baskets for shut-ins, and gifts for children which were distributed by the nurse.

Fifty-nine patients were taken to out of town doctors and the local doctor.

Eleven patients were taken to Franklin oculists; seven pupils receiving glasses.

Twelve patients were taken to Franklin, New London and Concord Hospitals for treatment.

Fifteen trips were made to Manchester Orthopedic clinic, with patients.

Six patients were taken to Laconia and Concord oculists and received glasses.

Four patients were taken to Concord and Manchester Cancer clinics for treatment or check up.

In February and September physicals were done on high school, grammar and primary pupils, and primary and grammar pupils weighed every school month.

ALICE M. KENNEDY,

District Nurse.

SCHOOL WARRANT

THE STATE OF NEW HAMPSHIRE

To the Inhabitants of the School District in the town of Andover qualified to vote in district affairs:

You are hereby notified to meet at the Town Hall in said district on the 22nd day of March, 1941, at 2:30 o'clock in the afternoon, to act upon the following subjects:

1. To choose a Moderator for the coming year.
2. To choose a Clerk for the ensuing year.
3. To choose a Member of the School Board for the ensuing three years.
4. To choose a Treasurer for the ensuing year.
5. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agent of the district.
6. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.
7. To choose Agents, Auditors and Committees in relation to any subject embraced in this warrant.
8. To see if the district will vote to make any alteration in the amount of money required to be assessed for the ensuing year for the support of public schools and the payment of the statutory obligations of the district, as determined by the school board in its annual report.

9. To see how much money the district will raise and appropriate for insulating the high school building.

10. To transact any other business that may legally come before said meeting.

Given under our hands at said Andover this 18th day of February, 1941.

ELLA CARR,

CHARLES H. PUTNEY,

RUTH F. STONE,

School Board.

Note: As the school report goes to the printer some time before the school warrant is posted, additional articles may be included in the posted warrants.

Norma Waldron	Village

SCHOOL CALENDAR

Second term of 7 weeks opened	Monday, Jan. 6, 1941
Second term closes	Friday, Feb. 21, 1941
Vacation one week	
Third term of 7 weeks opens	Monday, Mar. 3, 1941
Third term closes	Friday, April 18, 1941
Vacation one week	
Fourth term of 8 weeks opens	Monday, Apr. 28, 1941
Fourth term closes	Friday, June 20, 1941
Summer Vacation	
First term of 15 weeks opens	Monday, Sept. 8, 1941
First term closes	Friday, Dec. 19, 1941
Vacation two weeks	
Second term of 7 weeks opens	Monday, Jan. 5, 1942
Second term closes	Friday, Feb. 20, 1942
Vacation one week	
Third term of 7 weeks opens	Monday, Mar. 2, 1942
Third term closes	Friday, Apr. 17, 1942
Vacation one week	
Fourth term of 8 weeks opens	Monday, Apr. 27, 1942
Fourth term closes	Friday, June 19, 1942

The schools will be closed on Armistice Day, Thanksgiving Day and the day after, and Memorial Day.

Attendance at the State Teachers' Convention is advised, and at the two Institutes, required. Days spent in attendance at the two Institutes and one day at the State Teachers' Convention will be considered as spent in the service of the District.

The morning session of the elementary schools will be from nine o'clock until twelve o'clock, and the afternoon session from one o'clock until four o'clock. Teachers should arrange their time tables so that the formal work of the day is over at three-thirty, and use the remaining time until four o'clock for individual help. Beginning December 1 and continuing until March 1, school will close at three-thirty.

Teachers should arrive at the school building not later than eight-thirty in the morning, and in cold or inclement weather, such pupils as wish should be allowed to enter at eight-thirty. A teacher should be on duty in each building during the noon hour.

Andover, N. H., February 11, 1941

I have examined the books of Etta D. Currier, Treasurer of the Andover Village District, to February 1, 1941, and find them to be correctly cast and properly vouched.

ETHEL S. CODY, Auditor.

Vital Statistics

VITAL STATISTICS
